EXPERIENCE

Quadb Technologies
Work From Home
Reactjs Developer Intern
Jan 2023 - Present

- **HRM(Human Resource Management)**: I created a Human Resource Management (HRM) system for the company, leveraging Tauri and React. This involved building a user-friendly interface and integrating essential functionalities to enhance HR processes and improve efficiency within the organization.
- **Web Pos**: Contributed to the development of HeeBee WebPOS project , utilizing React and Redux technologies for building a robust and efficient point-of-sale system.

PROJECTS

- **My Portfolio (May, 2023)**: Built a personal portfolio using React and Tailwind CSS, showcasing my skills, projects, and achievements in a visually appealing and responsive design.
  live - **code**
- **Quiz App (March, 2022)**: Developed a quiz app utilizing React and the Open Trivia Database, providing users with an interactive platform to test their knowledge and engage in trivia challenges.
  live - **code**
- **Notepad (May, 2021)**: Designed a notepad application using the Python Tkinter module, enabling users to create, edit, and save text files in a user-friendly and customizable interface.
  code
